ABOUT

Master Builders Insurance

Master Builders Insurance is endorsed by the Master Builders Association and has representatives in their offices to assist you with all aspects of your construction projects. In a challenging and ever-changing environment let the experts at MBI assist in assessing your risk and provide solution against loss or damage. MBI is a division of RBS, a BEE level 1 national brokerage.

Backed by RBS, one of South Africa's largest independent black owned brokerages, our knowledgeable construction team is available to adequately underwrite your business. We specialise in providing unique products developed specifically for the industry.
